Engaging Communities

March 2026 continued Taaleem Foundation's momentum, marked by strategic collaborations, cultural celebrations, and strengthened partnerships across districts and schools. From a key partnership with the Ministry of Federal Education to advance the Out-of-School Children (OOSC) initiative, to active coordination with district administrations in Killa Saifullah and Mastung, the Foundation reinforced its commitment to expanding access and improving learning environments. Across the network, schools remained vibrant hubs of activity—celebrating Baloch Culture Day, fostering community spirit through Eid, and achieving strong academic outcomes through parent engagement. This edition highlights these efforts, reflecting Taaleem Foundation's continued dedication to inclusive education, community connection, and student success.

Taaleem Foundation Partners with Ministry of Education for OOSC Initiative

Taaleem Foundation has formally partnered with the Ministry of Federal Education and Professional Training to support the Out-of-School Children (OOSC) initiative. This collaboration represents a significant commitment to addressing the educational disparities faced by children excluded from formal schooling.

The agreement, led by Mr. Nadeem Mahboob, Secretary of the Ministry, sets the stage for a focused effort to ensure that every child has access to quality education, regardless of their circumstances. This partnership is a critical step toward fostering inclusivity in education and driving long-term change.

DC Mastung Lauds Taaleem Foundation's Educational Excellence

Bahram Saleem, Deputy Commissioner of Mastung, commended Taaleem Foundation for its significant contributions to educational excellence. In a recent meeting, the focus was on the impressive academic progress made so far and the exciting plans for future growth.

The Deputy Commissioner emphasized the school's crucial role in enhancing the quality of education in the region, ensuring a brighter and more promising future for the youth of Mastung.

Strengthening Education in Killa Saifullah

A productive meeting took place between Saghar Kumar, Deputy Commissioner of Killa Saifullah, and the Principal of TFGS Killa Saifullah, focused on strengthening the region's educational infrastructure. The discussions highlighted the pressing need for improvements that will foster better learning environments.

The Deputy Commissioner expressed unwavering support for Taaleem Foundation's educational initiatives, ensuring that students in Killa Saifullah will have access to enhanced learning opportunities and a more stable academic environment.

The celebration emphasized the vital role of cultural awareness and the youth's responsibility in safeguarding their cultural identity for future generations.

Our Flagship Programs

These flagship programs exemplify Taaleem Foundation's commitment to holistic, inclusive, and sustainable educational development.

TF Grammar School System

TF owns and operates schools in underserved rural and remote regions, ensuring access to quality primary and secondary education for children who might otherwise be deprived of learning opportunities.

Higher Education

TF operates dedicated campuses of Virtual University and NUTECH, expanding access to higher education in remote and underserved areas of Balochistan. These campuses allow students to pursue quality degree programs and technical education without leaving their communities, leveraging digital platforms and modern teaching facilities to bridge regional education gaps.

Teacher Training & Capacity Building

Focused on online professional development, this initiative provides comprehensive training and workshops for teachers to enhance pedagogical skills and keep them updated with the latest educational methodologies.

Gender Mainstreaming

Dedicated to promoting gender equality in education, this program offers scholarships, awareness campaigns, and safe learning environments to support and encourage girls' enrollment and retention in schools.

Inclusive Education Program

This program supports children with special needs at an autism center in Rawalpindi by providing tailored learning materials, teacher training, and community awareness to foster an inclusive educational environment.

EdTech / e-School Solution

TF provides EdTech and e-School services to 70 schools across Pakistan, integrating technology into classrooms. The program equips students and teachers with digital tools, e-learning resources, and AI training to bridge the digital divide in an engaging "learn through play" mode.

TVET Footprint

Aimed at youth and school leavers, this initiative offers vocational training in multiple trades to improve employability and self-reliance. TF operates state-of-the-art technical training centers in Kharan (Balochistan), Sui (Balochistan), a women's skill center in Dera Bugti, a women's skill center in Jahanpur (Multan), and 10 skill centers for Kashmiri women in Muzaffarabad, AJK.

Youth Empowerment for Employment Abroad

TF is an implementation partner of the Government of Balochistan in developing a skilled workforce for overseas employment. To date, 260 skilled workers have been successfully exported, with the number expected to rise to 300 by the end of 2025.

Parent & Community Engagement

Through regular meetings, workshops, and community mobilization, this initiative encourages parental involvement and local ownership of education, ensuring sustainability and responsiveness to community needs.

Health and Hygiene

The TF Health Initiative (TFHI) conducts awareness campaigns and workshops in schools and communities to promote good health, hygiene, and nutrition practices among students and their families.
