JULY 2026

Strengthening Education | Empowering Teachers | Engaging Communities

July brought fresh energy across Taaleem Foundation, with leadership, learning, and skills taking centre stage.

At TF Head Office, Head Teachers from TF-managed PEF schools in Kotli Sattian, Gujar Khan, and Rawalpindi sharpened their leadership, EdTech, and school-management skills, while TFGS Pishin welcomed distinguished guests to explore its academic facilities and technology-enabled learning environment. At TFGS Zhob, young learners turned a simple paper activity into a joyful exercise in creativity and confidence.

TTC Kharan moved into assessment mode, with trainees preparing through revision, practical demonstrations, and mock exercises before 271 trainees put their skills to the test in the Final Competency Assessment across multiple vocational trades. Batches 3 and 4 also completed their final assessments, moving closer to certification and future employment.

At TF-managed People's School Tando Allah Yar, teachers strengthened classroom practice through focused in-house training, while TF-managed PEF schools kept creativity, curiosity, and community participation alive through stone painting, science presentations, and SMC engagement. Overall, July was a month of stronger leaders, confident learners, skilled youth, and meaningful progress across Taaleem Foundation.

### Future-Ready Leadership:

## Head Teachers from TF-Managed PEF Schools in Rawalpindi Gather at TFHO

Head Teachers from TF-managed PEF schools in Rawalpindi joined an energetic, future-focused training at TFHO, Islamabad. AI-driven assessment tools, smart classroom management, community engagement, and SIS portal training were at the heart of the session. The discussions encouraged school leaders to explore how technology, stronger management, and deeper community connections can work together to improve the learning experience.

## Building Stronger School Leaders: Head Teachers from TF-Managed PEF Schools in Kotli Sattian Train at TFHO

Head Teachers from TF-managed PEF schools in Kotli Sattian gathered at TF Head Office, Islamabad, for a focused Capacity Building Training. The session brought academic leadership, classroom management, EdTech integration, and policy compliance into practical discussion, with participants exchanging experiences and exploring strategies to make their schools more engaging, responsive, and student-centered.

## Head Teachers from TF-Managed PEF Schools in Gujar Khan train at TFHO

Head Teachers from TF-managed PEF schools in Gujar Khan came together at TFHO, Islamabad, for a hands-on professional development session. From educational technology and classroom management to academic leadership, SIS portal use, and community engagement, the training focused on tools that can translate directly into stronger school practice. Participants exchanged ideas, shared field experiences, and developed practical actions to take back to their schools.

## Community at the Core: SMC Meets at TF-Managed GGPS Dherian, District Rawalpindi

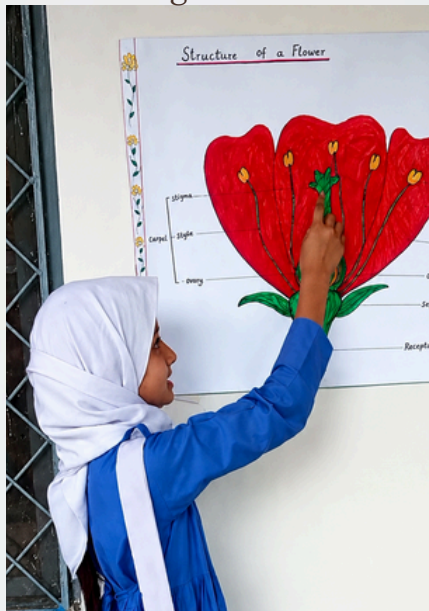

TF-managed GGPS Dherian, Tehsil Gujar Khan, District Rawalpindi, brought parents, Head Teachers, and community members together for a School Management Committee meeting. Conversations centred on school needs, improvement priorities, student learning, and attendance. For a school serving a remote community, the meeting demonstrated how local participation can turn shared concerns into collective support for students and their school.

## Science in Bloom at TF-Managed GGPS Mateel, District Murree

Young scientists at TF-managed GGPS Mateel, Tehsil Kotli Sattian, District Murree, brought their lesson to life with a confident presentation on the Structure of a Flower. Students identified and explained its different parts, turning a science concept into an opportunity to learn, speak, and present with confidence. A simple classroom activity became a strong example of curiosity blooming into active learning.

## Creativity Takes Root at TF-Managed GGPS Jollay, District Rawalpindi

Summer Camp became a little more colourful at TF-managed GGPS Jollay, Tehsil Gujar Khan, District Rawalpindi, as students transformed ordinary stones into bright pieces of art. The stone painting activity encouraged creativity, teamwork, and confidence while giving young learners the joy of contributing to their own school environment. Their colourful creations found a new home around the school garden, bringing art and learning together in one cheerful activity.

# Our Flagship Programs

These flagship programs exemplify Taaleem Foundation's commitment to holistic, inclusive, and sustainable educational development.

## TF Grammar School System

TF owns and operates schools in underserved rural and remote regions, ensuring access to quality primary and secondary education for children who might otherwise be deprived of learning opportunities.

## Higher Education

TF operates dedicated campuses of Virtual University and NUTECH, expanding access to higher education in remote and underserved areas of Balochistan. These campuses allow students to pursue quality degree programs and technical education without leaving their communities, leveraging digital platforms and modern teaching facilities to bridge regional education gaps.

## Teacher Training & Capacity Building

Focused on online professional development, this initiative provides comprehensive training and workshops for teachers to enhance pedagogical skills and keep them updated with the latest educational methodologies.

## Gender Mainstreaming

Dedicated to promoting gender equality in education, this program offers scholarships, awareness campaigns, and safe learning environments to support and encourage girls' enrollment and retention in schools.

## Inclusive Education Program

This program supports children with special needs at an autism center in Rawalpindi by providing tailored learning materials, teacher training, and community awareness to foster an inclusive educational environment.

## EdTech / e-School Solution

TF provides EdTech and e-School services to 70 schools across Pakistan, integrating technology into classrooms. The program equips students and teachers with digital tools, e-learning resources, and AI training to bridge the digital divide in an engaging "learn through play" mode.

## TVET Footprint

Aimed at youth and school leavers, this initiative offers vocational training in multiple trades to improve employability and self-reliance. TF operates state-of-the-art technical training centers in Kharan (Balochistan), Sui (Balochistan), a women's skill center in Dera Bugti, a women's skill center in Jahanpur (Multan), and 10 skill centers for Kashmiri women in Muzaffarabad, AJK.

## Youth Empowerment for Employment Abroad

TF is an implementation partner of the Government of Balochistan in developing a skilled workforce for overseas employment. To date, 260 skilled workers have been successfully exported.

## Parent & Community Engagement

Through regular meetings, workshops, and community mobilization, this initiative encourages parental involvement and local ownership of education, ensuring sustainability and responsiveness to community needs.

## Health and Hygiene

The TF Health Initiative (TFHI) conducts awareness campaigns and workshops in schools and communities to promote good health, hygiene, and nutrition practices among students and their families.
